

Quick Quote Worksheet

Name: _____

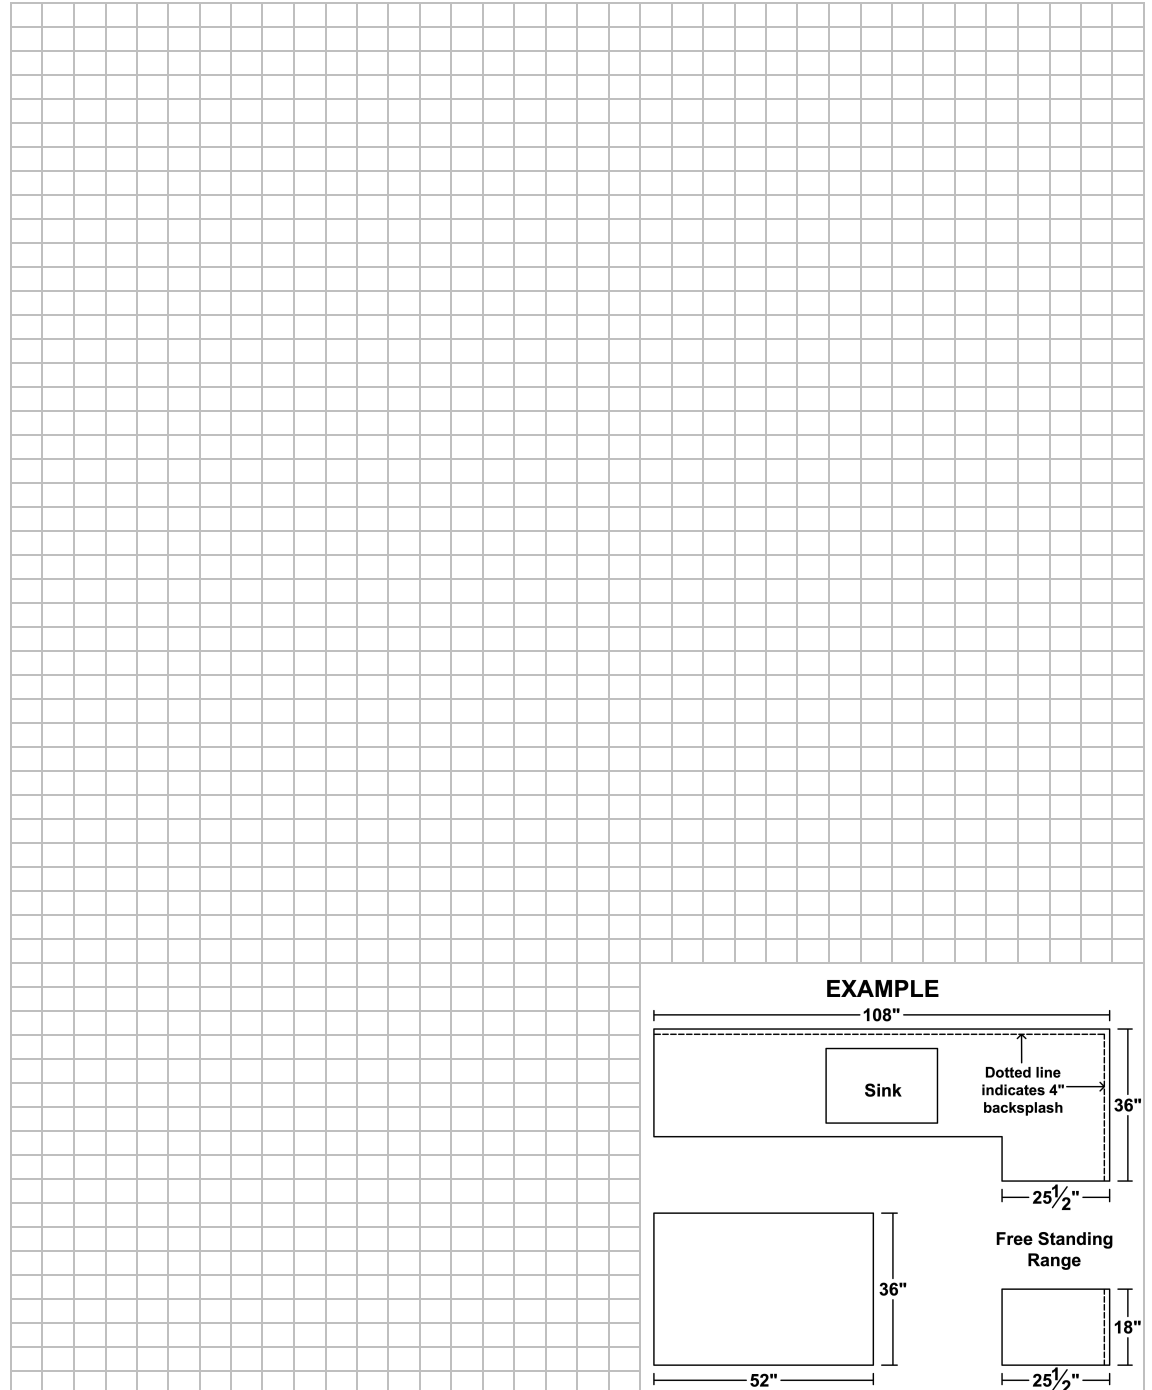

Address: _____

Email: _____

Phone: _____

1. Take rough measurements and make a simple sketch of your countertop layout. We don't need exact dimensions at this point. When you place your order, we'll send a field tech to your house to measure.
2. Indicate the approximate location of required cutouts for sinks, cooktops, slide-in ranges, etc. Show desired backsplashes with a dotted line.
3. Type of backsplash
 4" backsplash No backsplash
4. Cook unit type
 Free-standing Drop-in Slide-in
5. Include removal of existing tops
 Yes No
6. Bring this worksheet to one of our showrooms or take a picture and email to the showroom nearest you.
